

Taxi Companies Participating in the \$5 Regional Fare

All of the taxi companies listed in the table below have elected to enter into the City's \$5 regional fare. The \$5 rate applies to any ride that begins and ends in the regional center. Any additional passenger charges are still applicable. The regional center for taxis contains the area lying east of the White River, South of 12th Street, west of I-65, and north of I-70. The map below shows these boundaries. If one cab from a particular company has decided to charge this fare all that company's cabs must honor this fee arrangement. All companies not listed in the table have not opted in and will use the taxi meter to assess the charge for a ride regardless of starting or ending location.
